LOAN BILL HISTORY

REPRESENTATIVE EMMELUTH SPEAKS FROM THE RECORD

Measure Held Up Twenty Days in Committee of Which Carter Was a Member—Governor and County Bill.

Editor Evening Bulletin:—As quoted in the Sunday Bulletin, Hon. C. H. Dickey presumes once more to exploit the reasons "Why The Loan Bill Failed." The incidents he relates in connection with this matter were not the true cause of failure of said bill to pass the House of Representatives.

The fate of the Loan bill was settled before the same ever reached the House. The published Journal of the Senate (page 310) shows that on April 4 Senate bill 65 (Loan bill) and its companion, bill 6 (appropriations under Loan bill) were read a second time by their titles and on motion of Senator C. Brown, referred to the Senate Committee on Ways and Means (Messrs. Kanuha, G. R. Carter and N. Russell), the two bills remaining in the hands of the committee until the 23d day of April (page 496 Senate Journal) when Senate bill No. 65 "An Act to provide for Public Loans," was reported back from the committee in an elaborate report written by Senator Carter, signed by him and Senator Kanuha and not concurred in by Senator Russell, in which the majority joined in recommending the passage of the bill as submitted to them. The same committee reported a substitute for Senate bill 66. The two bills and reports thereon were then ordered printed.

The Printing Committee reported them back to the Senate and they passed second reading (page 521, Senate Journal) on April 25th after receipt of Governor Dole's negative reply to the Senate resolution requesting an extension of the session, and with five working days of the session remaining.

On April 26 (page 529 Senate Journal) during the afternoon session, the Loan bill passed third reading by a vote of 14 for to 1 against it. On April 27 (Saturday) Senate bills 65 and 66 were read a first time in the House and referred to the Printing Committee which reported them back on Monday evening, April 29.

Hon. Mr. Dickey, in the absence of both Speaker and Vice Speaker having been elected speaker pro tempore, called up Senate bill 66, being the appropriations under the Loan Act, and it was while this bill was under discussion that several members withdrew, leaving the House without a quorum. This circumstance, together with the attitude of the Governor on the matter of an extension of the session, preventing the final passage of the Loan bill, through the lower House.

Under such circumstances and with the progress of this bill as herein narrated, who will say that the blame for non-passage of the Loan bill can be laid at the door of the Home Rule members of the Legislature.

The fatal error was in keeping the Loan bill in the hands of the Ways and Means Committee of the Senate for TWENTY DAYS while discussing the items in Senate bill 66. That there was no opposition to the bill is proven by the practical unanimity of the vote in the Senate on third reading.

With due deference to the member of the Senate introducing the measure, I consider its introduction there was a mistake. Revenue measures should originate in the House and had this one done so its fate might have been different. I have no desire to criticize the action of any one member of the Legislature but I must protest against any serious imputation that the Home Rule members of the Legislature defeated the Loan bill.

Think of railroading a Loan bill, covering the issue of bonds for years to come, and for millions of dollars, through a House of thirty members in three working days. The very idea of such a proposition would be repugnant to any man actuated by honorable purposes and having a proper regard for the welfare of his constituents.

"The stigma of its final defeat is on the Governor of this Territory and, in the slang of the day, 'it is up to him.' to undo the mischief that has been caused by his vicious and pernicious activity in maligning the representatives of the voters of this Territory, using this as a subterfuge for defeating popular government. Yes, Mr. Editor, I say now without fear of contradiction that Sanford Ballard Dole has permitted the calamitous financial conditions existing here today, to prevail rather than see county and municipal government established in these islands and I challenge him to a test of the issues created, by submitting to the voters of the Fourth District at the special election to be held next month, the question: 'Are you in favor of an immediate special session for general legislation?'"

The Fourth District was the only one at the last election in which the so-called Republican party was successful and while not authorized thereto, I believe I voice the sentiments of the Home Rule Republican party when I say that they will abide by the results

The Dr. Aiden Electric "Belt" (with suspensory) is guaranteed all the curative properties of the expensive belts now sold by doctors and druggists. It gives a very strong current of electricity and is easily regulated. Bound to supersede others. Can be had from the undersigned only; no agents; no discount. Circular free. Address Pierce Electric Co., 206 Post St., San Francisco. Sent free to Hawaii for \$5.00

of the ballot on the question above propounded. If the Fourth District votes "yes" so say we all of us, if a majority vote "no" we will stop agitating, eat humble pie and quit politics.

What say you, Mr. Governor? The time is opportune for justifying your actions in the eyes of the President whom you are so soon to meet. Shall the voters of the Fourth District express their views?

The endorsement of your policy by fellow citizens if the district in which you live would go a long way toward such justification.

For equal rights.
JOHN EMMELUTH.
Honolulu, March 24, 1902.

KAMEHAMEHA'S VICTORY

In the regular annual athletic meet between teams from Kamehameha and Punahou in Kapiolani park Saturday afternoon, the former came off victorious, the overwhelming score being 70 to 24 or a little over twice the number of points made by Punahou.

The victory is particularly sweet to the Kamehamehas since their opponents arranged everything to suit themselves, cut out the discus throw and one of the short dashes and, notwithstanding the vigorous protests, refused absolutely to concede anything to the opposing team.

For a while it looked very much as if there would be no annual meet between the two educational institutions on account of the stubborn attitude of Punahou but the Kamehameha athletes decided they would not play the small boy act and would go into the contests no matter if their opponents did have everything their own way.

Punahou had been somewhat lax in the matter of practice but the Kamehameha boys could be seen out training every day. This no doubt accounts for Saturday's victory.

KODAK FIEND ON MAUI

Wailuku, Mar. 22.—An ingenious young kodak fiend caused much merriment and later, consternation, at Kahului, during the early part of the week.

The young man called upon a party of young ladies and asked to be allowed the pleasure of taking a picture of them with his camera. The young ladies smilingly consented and lost no time in taking advantage of this rare opportunity. They went to their various apartments, and after a lapse of several minutes, appeared in their most gorgeous raiment—holokus and pukiis of variegated hues.

The young kodaker then caused the eight to stand in line about six feet apart, told them to stand erect and to put on their sweetest smiles. The young ladies are now pressing the young man for copies of the picture, but the latter is equal to the occasion, and is trying to tell them that their beauteous smiles broke the film.

SCRIMGEOUR FUNERAL.

A. B. Scrimgeour died Sunday morning, shortly after 12 o'clock, of heart disease. The funeral services were held in the Masonic Temple in the afternoon, deceased being a member of Hawaiian Lodge, No. 21. Death occurred at the home of the deceased on upper Fort Street.

Scrimgeour left no relatives whatever in the Islands. He was born in Scotland 49 years ago and came here from New Zealand sixteen years ago.

The funeral services were conducted at 3 o'clock under the auspices of Hawaiian Lodge. Worshipful Master Fred Whitney officiated, assisted by Right Worshipful Master O. E. White. The pall bearers were members of the lodge. The interment took place in Nuanu cemetery.

Southern California has evolved a tomato tree of which the fruit is practically the same as that of the plant.

I DE TURK'S WINES...
